
Special Traffic Arrangements for Sunday 28th September 2025

The University looks forward to welcoming you and your family to Durham and appreciates your cooperation in ensuring the smooth arrival of yourself and fellow new students on Sunday, 28th September.

The University has introduced special controls for traffic on the Peninsula, and you will require an access permit for your college.

If you are travelling to Durham by car, please read the below information carefully:

- All vehicles traveling to Peninsula colleges are asked to report to Maths and Computer Sciences Building, Upper Mountjoy Campus, Stockton Road, DH1 3LE at their specific time slot communicated by the college. For a Google Maps link, please click [here](#) and the What 3 words location is ///harp.rice.crib.

Please note: As of July 2025, there are no planned roadworks around Durham expected to affect your journey on Sunday 28th September. However, we recommend checking for any updates before you travel, as conditions can change.

- Park as directed by the University stewards on duty.
- Once parked in the holding area, we recommend that **only one person** from your party go to collect a permit, allowing you to access the Peninsula area, where your college is based.
- Please return to your vehicle as soon as you have been given your access permit, you will then be directed to the relevant queue for your college. Security will then send vehicles up in order of college time slot.
- Once at your college, you will have 15 minutes to unload your car, after 15 minutes you will need to remove your vehicle immediately. Please follow the one-way system off the Peninsula and across Prebends Bridge.
- The University has made provision for free parking on the Mountjoy site, should you wish to use this. After crossing Prebends Bridge, turn left onto Quarryheads Lane, cross the roundabout, and go straight onto Stockton Road. You can then enter the Mountjoy site via the entrance on the right. Click [here](#) for a Google maps link. (///album.police.basin).
- **Please display the permit clearly** in the car windscreen whilst on the Peninsula and in the University car park.

Once you have parked at this location off the Peninsula, you (and your guardians) will have all the time you wish to look around the city. Please note that if you use a public car park, you must purchase a **pay and display** ticket or use the PayByPhone app.

If you have any queries about these arrangements, or if you have a disability requiring special arrangements, please contact your College Office.

If you encounter any difficulties with these arrangements on Sunday 28th September 2025, you can contact our Security Office by calling **(0191) 334 2222**.
