describe and analyse theological, ecclesial and contextual understandings of the nature and practices of Christian discipleship, critically evaluating such practices in relation to a range of new contexts in and beyond the church.

demonstrate a systematic understanding of key concepts and processes of inquiry involved in the study of one or more chosen areas of theological study, including acquisition of coherent and detailed knowledge, at least some of which is informed by methodologies and findings of recent research.

communicate their chosen focus / foci of study appropriately and with relevance, rigour, creativity and sensitivity to a variety of audiences and contexts.;

apply knowledge and understanding of the chosen disciplines of theology, ministry and mission to new and complex contexts, reflecting critically on their impact on the life and ministry of the church, and showing sensitivity to the problems of religious language, experience, and the limits of knowledge.

identify, gather, analyse and evaluate textual source materials, including material from primary sources and scholarly research, for a range of purposes, and communicate their findings with clarity and fairness using a variety of media to both specialist and non-specialist audiences;

critically evaluate ideas, arguments and assumptions, using them to construct and communicate coherent and well-reasoned arguments that signal a recognition of, and respect for, the differences between beliefs, commitments and prejudices, to both specialist and non-specialist audiences.

take responsibility for an extended project that involves the exercise of initiative, independent inquiry and the effective management of time, resources and use of IT; engaging with others in planning and decision-making in complex and unpredictable contexts; meeting deadlines; evaluating the project and learning from it.

take responsibility for their own personal and professional development.
