## A: THE SCHOOL

Durham University Business School (<http://www.dur.ac.uk/business>) is a vibrant and multi-disciplinary business school based in Durham City Centre, offering access to a number of locations across the city.

Location maps are found here: <https://www.dur.ac.uk/map/>

Durham University Business School is one of the longest established business schools in the UK. Together we combine academic excellence, internationally rated research and superb student support services to give students the very best business education:

- Durham University was ranked 5<sup>th</sup> overall in **The Guardian University Guide 2022** and 6<sup>th</sup> in **The Complete University Guide 2023**.
- In the **QS World University Rankings 2023**, the University is 92<sup>nd</sup>.
- **The Economist 2022 'Which MBA?'** ranked Durham University Business School 2<sup>nd</sup> in the UK and 67<sup>th</sup> in the World.
- Durham University Business School is one of an elite group of institutions worldwide recognised by all three major accreditation bodies: AACSB, AMBA and EQUIS.
- All Durham University Business School's MSc Finance programmes have Chartered Financial Analyst (CFA)® recognition through partnership status with the Institute.

The Business School is underpinned by a world-class academic community:

- 120+ full or part time, plus visiting faculty
- Pool of quality academics, practitioners and consultants and an active guest speaker programme from leading public and private sector organisations

Its student body represents over 100 nationalities, comprising:

- c. 2500 undergraduate students at Durham Campus.
- c. 1600 postgraduate students, including DBA, MBA, MA, MSc and PG Dip
- 200+ doctoral research students.

- Executive Masters
- Research Degrees: DBA, MPhil / PhD

Incoming Masters students from institutions with a Masters postgraduate exchange agreement will be able to follow postgraduate modules from all MSc programmes.

### B1: Degree Structure

All Postgraduate degrees at Durham University have a modular structure, consisting of modules that are usually studied over either one or two term terms of the year.

All modules are assessed within the year in which they are taught, and assessment takes the form of assignments and/or examinations.

## C: REQUIREMENTS AND RESTRICTIONS

**This section contains important information for setting up your academic programme at Durham University. Please read through this section carefully before considering your modules and filling in the Learning Agreement!**

### C1: General

#### Choice of Modules

#### **IMPORTANT NOTE FOR STUDENTS: PLEASE READ **BEFORE** COMPLETING YOUR LEARNING AGREEMENT**

At Durham University, Partnership agreements are signed by individual university departments/faculties and are not university-wide agreements. This means that you will have to choose modules within the Business School, as this is the faculty that the agreement with your home university has been signed. Please follow the advice below carefully before completing your Learning Agreements.

Please clearly indicate the modules you wish to take on your Learning Agreement (included in your application package) for approval by the Postgraduate Programme Team. Before completing your Learning Agreement, it is very important that you read the relevant departmental section(s) of the Module Handbook to check which modules are available to you and any restrictions that may apply. It is imperative that a properly completed Learning Agreement is submitted as part of the application form. Only complete applications can be processed.

*Section D: Module Details* provides a list of modules available for incoming students in the department where the agreement has been established (receiving department) as well as a list of modules available for students coming in through other departments (external departments). Please choose from these modules only!

To find out about the details for each module (teaching methods and contact hours, prerequisite academic background, method of assessment, content, etc.), please refer to the Faculty Handbook.

## Postgraduate Timeline:

Oct	Nov	Dec	Jan	Feb	Mar	Apr	May	Jun
Term 1 Modules			Term 1 Exams					
			Term 2 Modules				Term 3 Modules	
							Term 2 & 3 Exams	

Visiting postgraduate students typically stay for one Term (plus the exam period) and follow between 2 and 4 modules.

1st term (what we call Michaelmas): lectures start from 7<sup>th</sup> October 2024 and finish 13<sup>th</sup> December 2024. If students have chosen a module assessed by a written assignment (in which case they could be assessed by a 'take away' paper), they would stay until December. If students have chosen modules assessed by examination, they will have to sit them in Durham<sup>1</sup> and therefore return after the New Year. **The 2023/24 exam period is 2nd – 7th January (2024/25 to be confirmed).**

2nd term (what we call Epiphany): Lectures would start from Monday 13<sup>h</sup> January and finish on Friday 21<sup>st</sup> March 2025, with **exams during May and June 2025**. Again, students can stay until March if they have 'take away' papers, however, if your modules are assessed by examinations you will have to return to Durham after the Easter vacation.

You can identify the modules for Term 1 (Michaelmas) as they will have number 1 under the Term column on the list at the end of this handbook. Likewise, for Term 2 (Epiphany) modules, they are listed with number 2 under the Term column. **BE CAREFUL WHEN YOU SELECT YOUR MODULES - ONLY CHOOSE MODULES IN THE CORRECT TERM YOU ARE ATTENDING.**

All modules are taught and assessed in English.

Term 1 (Michaelmas) exams will take place during January and Term 2 (Epiphany) exams will take place during May/June each year. Please note that not all modules are assessed by examination, some are assessed by assignments and projects, etc. (see list of modules). Students should plan their stay in Durham to include both the teaching and examination periods.

Many Durham students decide to remain in Durham during the revision periods in order to prepare efficiently for the exams. Exchange students may consider doing this as well.

If for any reason exchange students cannot attend exams in Durham during the exam periods (January and May/June) they must choose Durham modules that are assessed by assignment only (see list of modules). We do not provide alternative arrangements for students to take examinations away from Durham.

**All modules listed are subject to change for 2024/25.** Incoming students can choose any modules, from any Business School programmes, timetable permitting (the timetable will be available during August/September 2024). **IMPORTANT NOTE: IF YOU MIX MODULES FROM DIFFERENT PROGRAMMES (E.G. FINANCE AND MANAGEMENT OR ANY OTHER COMBINATION, IT IS VERY LIKELY THAT THERE WILL BE TIMETABLE CLASHES.)**

**N.B. Each single module carries 7.5 ECTS (equal to 15 UK credits)**  
**You will receive full ECTS credits for a module if you pass the exam (50% pass mark).**

### Transcripts:

For **Term 1 modules**, Exam Boards take place during March/April and official transcripts are usually available at the **END OF APRIL**. For **Term 2 modules**, Exam Boards take place during June/July and official transcripts are usually available **MID-JULY**; in the interim, the Programme Team can provide students with an unofficial statement of marks (subject to the release of provisional marks).

### C2: School requirements and restrictions

**European students can only choose among the postgraduate modules offered in Durham University Business School.** Durham University Business School expects students to attend all classes and monitors attendance.

### Co-requisites / Prerequisites

**Co-requisite** means you must take that module **together with** another. For exchange students this may not apply if you have passed one of the core requisites at your home university. For example, the core requisite for Advanced Financial Theory is Econometrics 1. If you have already studied Econometrics 1 at your home university then you will be able to study Advanced Financial Theory in Durham.

**Pre-requisite** means you must have completed the prerequisite module **before** studying the current module. For example, the prerequisite for Financial Risk Management is Derivative Markets. If you have already studied Derivative Markets at your home university then you will be able to study Financial Risk Management in Durham.

\*The above restrictions are to enable students to understand the material that they are studying.

## D: MODULE DETAILS

The following section lists modules that are available to you.

To find further details for each module (teaching methods and contact hours, prerequisite academic background, method of assessment, content, etc.) please refer to the Faculty Handbook.

Please be aware that **not** all modules listed below may run in the academic year (or the Term outlined below) that you are applying for as there may be last minute changes.

### Changing Your Modules:

Students who study with us in Michaelmas Term are offered the opportunity to change their module choices during their induction week and throughout the first week of term (subject to approval by the Academic Exchanges Coordinator). **The deadline for Term 1 (Michaelmas Term) module changes is planned for 6<sup>th</sup> October 2023. The deadline for Term 2 module changes 8<sup>th</sup> December 2023 and no changes will be able to made once Epiphany Term starts in January 2024 (to be confirmed). You must have all of your modules registered on Banner Self Service before Epiphany Term starts.**

Upon arrival, you will be able to obtain all signatures you require (including on your Learning Agreement); therefore, we request that you bring all of your documentation to Induction. You will receive more details/information on modules including instructor's name, reading lists and contents, when you register on arrival at Durham.

### D1: Modules available to students coming on a direct departmental link & overseas exchange students

**Modules offered are listed below according to DUBS Master Programmes. Visiting students can select modules from any programmes (please notice that if you mix modules from several programmes there may be timetable clashes. In that case you will be given the opportunity to change your selection upon arrival). Please note below are subject to change for the start of terms in 2024/2025.**

\*Modules that state '1 & 2' or '2 & 3' in the **Term** column, means that the module takes place throughout both terms. If you are coming only one term, it won't be possible for you to take these types of modules.

## Frequently Asked Questions

### 1. Where do I find information about specific modules?

Module outlines are available at <https://www.dur.ac.uk/faculty.handbook/> provide you with a very good overview of the delivery, contents and assessments for each module. You will be able to access more detailed information (including instructors, detailed syllabus, lecture notes, reading lists etc.) upon arrival at Durham University and after registration at Durham University Business School. We regret we cannot send you these in advance as they may be subject to changes.

Please be careful and consult our Module Handbook when you select modules for term 1 (Michaelmas) and Term 2 (Epiphany).

### 2. How many ECTS can I gain from each MSc module?

Upon successful completion of each MSc module (pass mark is 50%), you will gain 7.5 ECTS.

### 3. Which modules can I select?

Any module from the list contained in our Module handbook (subject to you holding the relevant pre requisites/core requisites, see Module handbook on this). Visiting students can mix available modules from all Master programmes at Durham University Business School.

### 4. I have applied, but I have not received confirmation of my placement at DUBS yet

No need to worry, confirmation of a placement is sent by our central administration and they typically deal with a very large number of applications.

### 5. The confirmation of my placement says I cannot take some modules I had selected

This may be due to several reasons (e.g. module is not running or is delivered in a different term, etc.) and those will be stated on the confirmation letter. Nothing to worry, as you can change your modules choice. The best time to do so is at the DUBS induction at the beginning of your placement (see next question on this).

### 6. How to Register?

You will register on our online platform. Once registered; you will see your lectures (large group teaching) and seminar (small group teaching) timetable, please ignore the listings of seminars as you will allocated your seminar groups once you arrive in Durham. Just check for any clashes in the lectures timetable only. If there are clashes in the lecture timetable you can change your modules.

### 7. Can I change modules?

Yes, we can do this when you arrive in Durham, you don't need to do anything before; we can do when you arrive in Durham. There are deadlines to change modules – by 7<sup>th</sup> October for T1 and by the end of T1 for T2 & T3 modules. Please inform the International, Engagement and Careers office or email [business.international@durham.ac.uk](mailto:business.international@durham.ac.uk) (your request will be forwarded for approval to the Exchanges Coordinator).

### 8. What happens if I have a lecture clash?

You must delete one of your modules and choose another module which doesn't clash.

### 9. My lecture overlaps into my seminar group

Wait until you are assigned to a seminar group after you have registered at Durham. We will endeavour to assign you to a seminar group that does not overlap. Subsequently to this, you can request to change your seminar group but only if you have a valid reason.

**10. Can I have an alternative assessment for my module?**

We don't normally provide an alternative assessment as your placement should be arranged in such a way to include all classes and assessments (we typically offer term/semester modules at Master level). If a module runs over the entire academic year and your placement covers a shorter period, we will be able to arrange an alternative assessment for this module only (all information will be given to you on arrival).

**11. Can I take modules from different departments?**

You need to contact the other department directly –Please notice that it is unlikely you will be able to as they run on a different cycle and have different entry requirements.

**12. When will I receive my transcript?**

You will receive your transcript once the Board of Examiners have met and have confirmed your marks. For T1 assessments, the BoE will meet in March; for T2 assessments, the BoE will meet in July. For the August resit period, the BoE will meet in November. We can however issue a statement of marks which will confirm any provisional marks issued.

**13. If I have an exam and I can't be in Durham to take it?**

You must choose another module with no examination upon registering at the Business School; otherwise you will receive 0 credits on your transcript if you don't notify us in time.

**14. Can students who link with other departments attend our MSc courses?**

Unfortunately no.

**15. How do I get my documents signed?**

- Learning agreements – any amendments to your LA can be emailed to [business.international@durham.ac.uk](mailto:business.international@durham.ac.uk)
- Certification of Placement/Arrival & Departure dates – are signed by the central International Office based in the Palatine centre.

**16. If I have a query who should I contact?**

**Before your placement**

Please notice that we organise a comprehensive DUBS information session and individual students' consultations at the beginning of your placement (October and January). You are very welcome to ask all questions you may have and have not been answered by our online resources at those events. Unless your query is very urgent, all questions are best addressed at the induction session. You will be able to make amendments to your Learning Agreement and obtain all needed signatures at that stage. If your query is urgent you can in the first instance email [business.international@durham.ac.uk](mailto:business.international@durham.ac.uk)

**During and after your placement**

In the first instance email [business.international@durham.ac.uk](mailto:business.international@durham.ac.uk)

**17. If I want to meet the Academic Exchanges Coordinator?**

There will be a drop in session offered once per week during term. The times can be obtained from [business.international@durham.ac.uk](mailto:business.international@durham.ac.uk) or alternatively if you are not able to attend the drop in session, email for an appointment.
