We enjoy our life and study here!

The vigorous and interesting examples are used to illustrate China's politics, also the comparative perspectives to examine Chinese context and western experiences, the professor was interesting although insensitive at times; students in the class come from different backgrounds for good discussion. I really like how open-minded our teacher is because it helps us to gain a real, non-politically connect insight of China.

Comment on Chinese Politics and Public Policy

以前我从没学过汉语。在北大，我有两位汉语老师。他们告诉了我中国是什么样的。我来介绍一下第一位老师，他叫“随和”。当我第一次来中国的时候，我很惊讶，一切都很方便。如果你口渴你只需要用手机扫一扫就能有水喝。如果你没有自行车，没问题！你不需要担心，因为有很多黄色的自行车你可以用！第二位老师叫“爱”，老师教我什么是中国人的爱，中国人民让你觉得他们和你像家人一样。

Very up-to-date topic, very based on data, and discussions are very interesting; the most interesting field trip I've ever taken; our professor gave us a lot of useful and helpful information (recent report, video clip, term explanation, etc.); field trips & deep introduction into a concrete topic.

Comment on China's Energy and Environmental Challenges

The trip to the Forbidden City with PKU was one of the first I did in Beijing. It was highly interesting to learn so much about Beijing's and China's history. The city itself is very beautiful and teaches you a lot about historical architecture... Especially as the trip was planned for the very beginning of the semester it was a great opportunity to get to know other students from all around the world.

这次的旅游去的地方之中，给我留下了深刻的印象的地方是绿吐蕃的文成公主告别唐的日月山日亭。从车窗看到的青海湖的蓝色和油菜花的黄色的对比，彩色鲜明的七彩丹霞地质公园，融入“这里是埃及”的错觉的敦煌鸣沙山……正在开发的西部，我感到过去只听过地方的名字，只有模糊的印象的地方，亲眼看风景和亲身感到那个地方的空气是很重要的事。

我们在西安很多地方，它们都很有趣，但是对我来说最有趣的东西是西安的兵马俑……我觉得它们做的非常厉害，因为每个兵马俑的人都不一样……这个星期后回到北京让我感觉有点难过，在这个活动看到那么多很有趣的地方，让我认识很多很好的不一样国家的人。
