Universidad de los Andes was founded on November 16th, 1948 by a group of young men under the leadership of Mario Laserna Pinzón. It was the first private higher education institution in Colombia that was non-denominational and independent from political parties and religious institutions.

5

Mario Laserna, the founder of Universidad de los Andes, stands next to Albert Einstein along with other members of the university's advisory council during a meeting at Princeton University in 1952.
