

GRADUATE PROFILE:

ANNABEL

HISTORY
VAN MILDERT COLLEGE
GRADUATED: 2018

WHAT DO YOU DO NOW?

Trainee solicitor in London.

HOW DID DURHAM HELP TO PREPARE YOU?

I developed most of the skills I use in my job through my History degree. I loved the way the course was structured to develop research techniques and writing style. However, my involvement in college had the biggest impact on my other skills such as communication, teamwork, and leadership. The collegiate system gives endless opportunities to get involved with whatever interests you at any level.

WHAT'S YOUR FAVOURITE DURHAM MEMORY?

Dancing on stage with S Club at Summer Ball!
