Write it bright!

You can recognise Niki de Saint Phalle's drawings from their bright, bold, cartoon-like style.

Can you draw like Niki de Saint Phalle? Draw a word in bubble writing, decorate each letter with patterns and fill with bright colours!

Finally, with the help of an adult, cut your letters out and arrange them on a brightly coloured piece of paper of card.

Niki de Saint Phalle, 29 October 1930 – 21 May 2002, was a French - American artist. Most well known for making massive sculptures, she often drew her ideas before making them into giant 3D artworks.
