Explore

Part B

An Arts Organisation can be a museum, art gallery, collection or heritage site.

At Durham University we have lots of Arts Organisations. Have you visited or heard any of these places? Circle the ones you know.

Research one of Durham University's Museums. Circle how you found out about this arts organisation?

reading books

talking to an adult

researching online

visiting an arts organisation

Did you visit one of our exhibitions? Which one?

What sort of arts activities does this arts organisation do?

What artists or arts professionals work at this arts organisation (for example dancers, musicians, curators, writers, designers, artists?)

Explore

Part B

In this section you will find out about an artist or artists and their work. You will also find out about an arts organisation and the arts work that they do. You must look at an artist and an arts organisation to complete your Arts Award Explore.

Which artist have you found out about?

Why did you choose them?

Circle the different ways you learned about them.

reading books

talking to an adult

visiting an arts organisation

What did you find out about their work and life. Try and answer these questions.

When is their birthday?

Where are they from?

Tell us the favourite fact that you discovered about your artist.

What is your favourite piece of their work?

Create

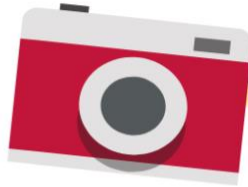

Part C

In this section you will create your own piece of art! Make sure you record how you make your art as well as your final piece.

What piece of art are you going to create? Is it a painting, will you be performing something, or writing a story? Tell us what you plan do make.

Show us evidence of how you create your art work. We need to see how you create your art as well as the final piece. Tip: Include photos, video, diary notes or other evidence to show you creating your art work.

What is your final piece of art? Include it here, or provide photos, a video or audio recording of it.

Present

Part D In this part you will look back on your Arts Award Explore and share what you enjoyed and achieved with others. This could be with your friends, family, class, group or online.

Circle what was your favourite part of your Arts Award Explore?
